Late President Garfield - Public Debt Sta ement-Report of the Superistendent of the Life-Saving Service-Our Exports.

Washington December 1 .- The Treasury Department to-day bought 385,000 centers of fine silver for delivery at the mints at Phila-delphia, San Francisco and New Orleans. Goodman Turns Up.

Charles Goodman, the witness in the Christiater case who left without signing his de-Er. Dunnell, of Minnesota. Congressman Dunnell, of Minnesota, has established headquarters at Willard's, and is pressing his claims to the Speakership. His friends claim that he is the choice of the President, but the letter stated again to day

We Still Bold the Balance of Trade. Excess of exports of merchandise for the twelve months ended October 31st, \$217,887, 358; for the tacive months ending October gold and silver coin and builion for the twelve months ended October 31st, \$69,931, 138; for the twelve months ending October 31, 1880, \$67,256,689

A Tribute to the Late President

The Life Saving Service. said, was not actuated by political motives in the matter, and if it were rejected he would ultimately be compelled to request the Governments of the various States to send their deputies to the Prussian Economical Council.

Signa—The cohection of large amounts of the own.

The Suprintanient of the Life-saving service in his annual report says: At the close of the facal year the service included their deputies to the Prussian Economical Council.

State—The cohection of large amounts of the own.

The Suprintanient of the Life-saving service in his annual report says: At the close of the facal year the service included the company exhibiting receipts for over \$6000 paid, which has never yet reached the city tressury.

the attention of Congress to the peglected

from insult or personal indignity. It is de-plored that in many such instances it has proved impossible to respond to these calls from want of a sufficient number of vessels These things ought not to be. While the navy should not be large, it should at all times afford a nucleus for its enlargement on emergency. It becomes HUNNEWELL, Ks., December 1 .- The com- the duty of Congress to see to it. The navy mittee appointed to go to Wichita and investigate the collaterals abstracted from the Caldwell Bank by Smith, the cashier, when he fled, returned late last night, and reported may, upon occasion, be so expanded as to be-

much diversity of opinion as to whether Danford is able to pay out or not. As it looks Interest thereon Total
